update huawei hg658b firmware huawei hg658b unlock download huawei hg658b firmware how to update huawei hg658b firmware huawei hg658b firmware and update huawei hg658b unlock update firmware How to Hg658b stc firmware Download Firmware for android Update Firmware - HG658 - Huawei (China) Customer Service Huawei. Huawei Hg658b The Huawei Hg658b is a 4 x 4 MIMO WiFi router from Huawei that you can use as a personal or commercial network access point. Check out Huawei's own review of the device. Huawei's HG658 series offers a number of features that appeal to both consumers and network engineers. The router comes equipped with MIMO, 4 x 4, and backup camera features. You can even get access to the mobile apps of your network. Security and standby are two features that could be of particular interest to enterprise network engineers. Many enterprise users will want to pair the router with an external WAN connection. You can use the router's WAN connection to connect with the network from a smartphone or other device. The HG658b can also be a part of your home network if you want to use it as a wireless access point. Configure the device to work as an access point in its WiFi menu. This router offers coverage of up to 120m on an outdoor network. Pairing and configuring a device is as easy as tapping on the router's icon on your smartphone's home screen. Pairing the router is also done through your smartphone. The router supports various network protocols, including WPA2 Enterprise and WPA/WPA2 personal. With 4 x 4 MIMO WiFi technology, the router can provide a data rate of up to 1.8 gigabits per second. You can connect up to eight devices to the router at once. The router supports fast (802.11ac) wireless technology, allowing you to transmit data at speeds of up to 3.5 gigabits per second. Huawei Hg658b upgrade firmware. This is the serial number of the router. Setup Serial Number:. Huawei Hg658b software update v.61. The router's MAC address:. Update Huawei Hg658b firmware to v.61 Fast (802.11ac). Configuration type:. Huawei Hg658b [Firmware v
